Report Author: Rodney Fincham, Assistant Director - Finance

Portfolio Holder: Finance

Ward(s) Affected: All wards

Purpose of the Report: This report takes the recommended 2024/25 budget from Cabinet, together with information from the various precepting bodies to produce the appropriate recommendations for setting the council tax for the area, which the Council is required to agree at this meeting.

Summary Recommendations:

Council is Recommended to resolve:

- (1) That the Council Tax Base for 2024/25 be noted.
- (2) The sums that have been calculated for 2024/25 in accordance with Sections 31 to 36 of the Local Government Finance Act.
- (3) That the County and Police precepts be noted.
- (4) The Council Tax for 2024/25.
- (5) That the Council's basic amount of Council Tax for 2024/25 is not excessive.

1 Budget Position

- 1.1 The Cabinet meeting in February considered the financial position of the Authority for 2024/25 and future years, and recommended to this Council meeting the budget for 2024/25. The Cabinet report and the information in that report must be used to underpin any decisions taken at this meeting.
- 1.2 Members attention is drawn to Section 12 of the Cabinet report which contains the advice of the Chief Financial Officer¹ in respect of the budget as required under the Local Government Act 2003.

¹ For Broadland DC this officer is the Assistant Director Finance.

- 1.3 Since that meeting information has been received from the major precepting bodies so that the Council is now in the position to agree the total 2024/25 council tax for the area.

Nb: The Norfolk County Council budget will not be formally approved by their full Council until 20th Feb 2024. In the unlikely event that the NCC figures change, an amended Council Tax Resolution Report will be issued.

- 1.4 The 2024/25 budget for Broadland DC recommended by the Cabinet translates into a district council tax of £134.91 for a Band D property, which represents a £5 increase compared to 2023/24.
- 1.5 In areas where the Council accepts responsibility for street lighting maintenance, these costs are treated as a Special Expense. The total estimate of Special Expenses amounts to £98,931 in 2024/25. The average special expense tax rate in 2024/25 is set at £2.02 This level of income will be sufficient to cover current levels of maintenance and build a reserve to fund a replacement programme.
- 1.6 To this figure is added the cost of parish precepts and the major preceptors.
- 1.7 The following table consolidates the overall council tax position for 2024/25.

	23/24 Band D £	24/25 Band D £	Change
Norfolk County Council	1,592.64	1,672.11	4.99%
Police & Crime Commissioner	302.94	315.90	4.28%
Total Preceptors	1,895.58	1,988.01	
Broadland District Council	129.91	134.91	3.85%
Special Expenses	2.53	2.02	-20.16%
Total District Element	132.44	136.93	£4.49 increase
Parishes (Average)	92.73	100.03	7.87%
Total Band D Council Tax	2,120.75	2,224.97	4.91%

Note: It is the Total District Element that is capped at £5.

- 1.8 Members are reminded of the Local Government and Finance Act 1992, which prohibits any Member who has not paid for at least two months his/her Council Tax when it becomes due, from voting on setting the budget and making of the Council Tax and related calculations.
- 1.9 The setting of the council tax is the conclusion of the process by which the Council aligns its plans to further its corporate aims with the prudent and sustainable use of resources.

2 Issues and Risks

- 2.1 **Resource implications** – the report summarises the key aspects regarding the statutory obligations of the authority in setting its council tax.
- 2.2 **Legal implications** – the authority has to adhere to the Local Government Finance Act as described in the various sections of the report.

- 2 That the Council calculates the following amounts for 2024/25 in accordance with Sections 31A, 31B and 34 to 36 of the Local Government Finance Act 1992 (as amended by the Localism Act 2011):

 - d) **£236.96** as the basic amount of its Council Tax for the year, being the council tax requirement at 2(c), divided by the Council Tax Base for the year (48,996) at 1(a) above, calculated by the Council, in accordance with Section 31B(1) of the Act.
 - e) **£5,000,113** being the aggregate amount of all special items referred to in Section 34(1) of the Act (i.e. Parish Precepts and street lighting special expenses).
 - f) **£134.91** as the basic amount of its Council Tax for dwellings in its area, excluding Special Expenses and Parish Precepts, being the amount at 2(d) above less the result given by dividing the amount at 2(e) above by the amount at 1(a) above, calculated by the Council, in accordance with Section 34(2) of the Act.
 - g) The amounts given by adding to the amount at 2(f) above the amounts of the special items for the relevant Parish divided in each case by the Council Tax Base for the Parish at 1(b) above, calculated by the Council, in accordance with Section 34(3) of the Act, as the basic amounts of its Council Tax for the year for dwellings in each Parish is as set out in **Appendix B**.
 - h) The amounts given by multiplying the basic amounts for each Parish 2(g) above by the number which, in the proportion set out in Section 5(1) of the Act, is applicable to dwellings listed in a particular valuation band divided by the number which in that proportion is applicable to dwellings listed in valuation band D, calculated by the Council, in accordance with Section 36(1) of the Act, as the amounts to be taken into account for the year in respect of categories of dwellings listed in different valuation bands.

- 3 That it be noted that for the year 2024/25 the main precepting authorities have stated the following amounts in precepts issued to the Council, in accordance with s40 of the Local Government Finance Act 1992.
