

Forward Plan

The Forward Plan sets out the decisions that the Cabinet will be taking over the coming months. The Plan identifies which decisions are key and also highlights the decisions that Cabinet intend to take, which may result in part of the meeting being held in private.

This document will be updated and republished on the Council's website each month. Any queries relating to the Plan should be forwarded to Democratic Services, Horizon Centre, Peachman Way, Norwich, NR7 0WF, or via email at committee.bdc@southnorthfolkandbroadland.gov.uk

What is a Key Decision?

Key Decisions are those that are likely:

- (a) to result in the local authority incurring expenditure which is, or the making of savings which are, significant having regard to the local authority's budget for the service or function to which the decision relates; or
- (b) to be significant in terms of its effects on communities living or working in an area comprising two or more wards or electoral divisions in the area of the local authority.

Why might a decision be made in private?

The public may be excluded from a meeting whenever it is likely that in view of the nature of the business to be transacted, exempt information will be disclosed, for example, information which may reveal the identity of an individual or relates to the financial or business affairs of an individual or organisation. Information should only be made exempt, if it is in the public interest to do so.
