

Forward Plan

The Forward Plan sets out the decisions that the Cabinet will be taking over the coming months. The Plan identifies which decisions are key and also highlights the decisions that Cabinet intend to take, which may result in part of the meeting being held in private.

This document will be updated and republished on the Council's website each month. Any queries relating to the Plan should be forwarded to Democratic Services, Horizon Centre, Peachman Way, Norwich, NR7 0WF, or via email at committee.snc@southnorthfolkandbroadland.gov.uk

What is a Key Decision?

A key decision is an executive decision which will:

- (a) result in the Council spending, or saving a significant amount compared with the Budget for the service or function the decision relates to; or*
- (b) to be significant in terms of its effects on communities living or working in an area, comprising two or more wards in the area of the Council, in that it will:*
 - (i) Have a long term, lasting impact on that community; or*
 - (ii) Restrict the ability of individual businesses or residents in that area to undertake particular activities; or*
 - (iii) Removes the provision of a service or facility for that community; or*
 - (iv) Increases the charges payable by members of the community to provide a service or facility by more than 5%; or*
 - (v) Have the potential to create significant local controversy or reputational damage to the Council; or*
 - (vi) Is a matter that the decision maker considers to be a key decision.*

When assessing whether or not a decision is a key decision the decision marketer must consider all the circumstances of the case. However, a decision which results in a significant amount spent or saved will generally be considered to be a key decision if:

- (a) the amount spent is £200,000 or more of revenue expenditure; or*
- (b) savings of £75,000 or more per annum; or*

(c) capital expenditure of £200,000 or more (where a decision makes a commitment for spending over a period of time, it is the total commitment that must be considered to see if it is a key decision).

Why might a decision be made in private?

The public may be excluded from a meeting whenever it is likely that in view of the nature of the business to be transacted, exempt information will be disclosed, for example, information which may reveal the identity of an individual or relates to the financial or business affairs of an individual or organisation. Information should only be made exempt, if it is in the public interest to do so.

Members of the Cabinet:

Daniel Elmer (Chairman) – Leader

Graham Minshull (Vice-Chairman) – Communities (Deputy Leader)

Kim Carsok – Health & Leisure

Richard Elliott – Resources & Innovation

Keith Kiddie – Environment
