Dear Mr Lloyd,

**Notice of Objection to temporary event notice (TEN)**  
**Our Reference: 23/02331/PLTEN**

On the 30 October 2023, South Norfolk Council as the licensing authority received from you, a temporary event notice ("the notice") in respect of proposed temporary licensable activities due to take place on the 9<sup>th</sup> and 10<sup>th</sup> December 2023 at the Beauchamp Arms, Ferry Road, Carleton St. Peter, Norfolk, NR14 6DH.

I am objecting to the notice as I am satisfied that allowing the premises to be used in accordance with the notice would undermine a licensing objective, namely that of the prevention of public nuisance (noise) for the following reasons:

- the level and type of music which is very bass-heavy played during the early hours of the morning when the background noise levels are very low,
- the nature of the premises which are considered to be insufficiently sound insulated,

- the local climate and topographical conditions which affect the transmission of sound to noise sensitive properties,
- concerns that the physical or management controls of noise during previous events held at the premises were insufficient to prevent public nuisance from events held at the above premises.

I have provided this notice in accordance with Section 105(3) of the Licensing Act 2003 as amended, providing you with the reasons for my decision.

Yours sincerely,

*Ali Pridmore.*
