Dear Mr Hollocks,

**Notice of Objection to temporary event notice (TEN)**  
**Our Reference: 24/00215/PLTEN**

On the 24 January 2024, South Norfolk Council as the licensing authority received from you, Mr William Hollocks, a temporary event notice ("the notice") in respect of proposed temporary licensable activities due to take place on the 10 and 11 February 2024 at the Beauchamp Arms, Ferry Road, Carleton St. Peter, Norfolk, NR14 6DH.

I am objecting to the notice as I am satisfied that allowing the premises to be used in accordance with the notice would undermine a licensing objective, namely that of the prevention of public nuisance (noise) for the following reasons:

- the level and type of music which is likely to be played during this event including the playing of bass-heavy played during the early hours of the morning when the background noise levels are very low,
- the nature of the premises which are considered to be insufficiently sound insulated,
- the local climate and topographical conditions which affect the transmission of sound to noise sensitive properties,
- concerns that the physical or management controls of noise during previous events held at the premises were insufficient to prevent public nuisance from events held at the above premises.

I have provided this notice in accordance with Section 105(3) of the Licensing Act 2003 as amended, providing you with the reasons for my decision.

Yours sincerely

**Mr Ali Pridmore**  
**Environmental Health Officer (Community Protection)**
