

## Scrutiny Committee – Work Programme

In setting future Scrutiny **TOPICS**, members are asked to consider the following: **T**imely – **O**bjective – **P**erformance – **I**nterest – **C**orporate Priority

**T** Is this the right **time** to review this issue and is there sufficient **officer time** and resource to conduct the review? What is the **timescale**?

**O** What is the reason for review; do officers have a clear **objective**?

**P** Can **performance** in this area be improved by input from Scrutiny?

**I** Is there sufficient **interest** (particularly from the public)? The concerns of local people should influence the issues chosen for scrutiny.

**C** Will the review assist the Council to achieve its **Corporate Priorities**?
